Dear Parents/Guardians:

Re: Classroom Excursions

Throughout the school year, teachers frequently arrange classroom excursions to various places of interest within the city or in the Regina area as part of their learning experiences. These may take the form of field trips or visits to various places of interest related to the school learning situation. On these excursions, classes are supervised and accompanied by their teachers.

Rather than send home individual request slips for each excursion, we feel that perhaps one general letter of permission from the parents would simplify the procedure. As parents, you will be notified when excursions have been planned which involve your children, and you will have the opportunity to withhold your child from any planned trip simply by contacting the teacher concerned.

If you grant permission for your child to participate in any planned excursion, please complete the form below and return it to the homeroom teacher. Where impromptu and nearby trips to the park or walks outdoors are concerned, we will accept your signature as your permission for the teacher to include your child.

Yours sincerely,

Mr. D. Miezianko
Principal

Return bottom portion to Ethel Milliken School

Authorization for Classroom Excursions

I hereby give permission for my son/daughter, _____,
to accompany his/her class on excursions planned for the class during the 2016 – 2017
school year. I understand the teacher will be accompanying the class.
